Chair Denny Jones called the meeting to order. Opening remarks and introductions were made.

Gina Eckart gave opening remarks to Dr. Ivor Groves presentation: "We are pleased with the successful review held in May and look forward to reviewing the rest of our Community Mental Health Providers. Many lessons were learned with the May review that will assist us in improving the process and planning efforts. We will be holding reviews each month from September through December. Our September review is scheduled to take place in Northwestern Indiana. We hope to have Dr. Groves return and present the statewide results sometime in January or February 2007. "
